Andy, Mark, Lynn Maria Catherine and Adam,

I'm attaching the write-up as it went to our Office Director. We are asking for comments back by noon Wednesday. I'll send a note out to the broader group about the briefing for Susan Bodine getting set for Monday. Thanks for your review. I'm including Ken Mitchell in Region 4 on this email since he spent a lot of time to make sure we describe the chemical reactions properly in the paper.

Thanks,  
Mark
